

GREENSETTLE SEMINAR
Building eco-cities

EXPERIENCES FROM THE GREENSETTLE PROJECT

Tuesday 18th of February, 2014

Come and listen to presentations on following themes:

BEST PRACTICES IN RESOURCE MANAGEMENT – BUILDING BLOCKS OF ECO-CITIES

FUTURE VISIONS – ECO-CITIES IN REMOTE BORDER REGIONS

LEARNING THROUGH PLAYING – INTRODUCING THE ECO-CITY GAME

*Seminar participants are invited to play the eco-city game and find out if they have what it takes to build an eco-city.
Kings of the world will be rewarded!*

The venue: University of Oulu, Environmental Sciences Building, IT 138

Participation is free, registration by 12.2.2014 at nortech@oulu.fi
