

Tuesday 5th October

- 8:45 Registration and coffee
- 9:30 Opening of the seminar
Chair Jon Hansen, Innovation Norway
- Welcome speech
- 10:00 New trends in R&D
- Feasibility, Interest and Construction of a Medium Scale Solar Cell Demonstration Park in the North
Tobias Boström, Norut
- From wood to wheel – new fuels from the forest
Johan Hedin, Solander Science Park
- Energy research at the University of Oulu – main focus areas and future trends
Eva Pongracz, University of Oulu
- 11:00 Trends in Energy Market
- Large scale wind power parks – a winning concept for the Barents Region?
Jonas Lundmark, Wind Power Center in the Barents Region
- Bio energy in mining industry – case Kevitsa Mining
Pentti Riipi, Rovaniemi University of Applied Sciences
- Trends in Energy Market in Norway
Line Amlund Hagen, INTPOW – Norwegian Renewable Partners
- 12:00 Lunch
- 13:00 Success Stories
Chair Ritva Heikkinen, Tekes
- Wind ramp prediction – improved predictability for wind energy production
Juha Paldanius, Vaisala Plc
- Silent Revolution
Jouni Nevalainen, AMC Motors Ltd
- Concentrating solar hybrid collector as a base for industrial development
Björn Eklöv, Global Sun Engineering AB
- Small scale gasification of biomass for heat and power
Mikael Sjöblom, MEVA Innovation AB
- Gasek's innovative wood gasifier technology
Yrjö Muilu, Centria

- 14:30 Coffee
- 15:00 Success Stories continue
- New instrument for biomaterial moisture measurement
Pekka Jakkula, Senfit Ltd
- Energy efficiency for SMEs
Hassan Salman, NENET AB
- Collaboration between municipalities and the industry in the development of bioenergy
Lars-Erik Hällstrand, Glommers Miljö Energi AB
- Forest owners' energy co-operatives as energy producers in Central Ostrobothnia
Tapani Tyynelä, Finnish Forest Research Institute
- An entrepreneurial success case in the North – international capacity expansion and technology race
Erling Bortne, Innotech Solar as
- 16:30 Preparation of next day Workshop
Kaarin Kivimäki, Kivimäki & Co AB
- 19:30 Reception at City Hall
Host City of Oulu

Wednesday 6th October

- 8:00 Registration and coffee
- 8:30 Workshops
- Separate workshops on:
1. Bioenergy
 2. Wind Energy
 3. Hydropower
 4. Solar Power
 5. Energy Efficiency
- 12:00 Lunch
- 13:00 Workshops summary
- Presentations by workshop groups, next steps and closing remarks
- 14:00 Coffee
