

Welcome to the WARES Conference in Oulu to learn about how to generate renewable energy at water utility assets

The WARES Conference will present you experiences from Finland, Scotland, Ireland, Northern Ireland, Iceland and Norway on:

Organization of water services – Models across the Northern Periphery region

Renewable energy use in water facilities – Experiences and recommendations

Financing renewable energy investments (Public-Private Partnerships, feed-in tariffs, social investments, crowd-funding)

Does legislation promote or hinder the implementation of renewable energy at water utilities? – Panel discussion

Confirmed speakers: Barry Greig – Scottish Government

Iarla Moran and Conrad Harley, Mayo County Council, Ireland

Brian MacDonald, National Federation of Group Water Schemes, Ireland

Sean Corrigan, Kilmeena Group Water Scheme, Ireland

Patrick Minne, Charity Bank, Northern Ireland

Hafliði Hafliðason, Arion Bank, Iceland

Ewan Ramsay, International Resources and Recycling Institute, Scotland

Participation is free,
registration until May 30th at
nortech@oulu.fi
