Business, Educational and Research Cooperation between Institutions of Northern Finland and North-West Russia (BERMAP)

LIST OF PARTICIPANTS

Finnish side:

1. Liukkonen Ari-Pekka, export manager, Wavin-Labko Oy,
2. Galkin Sergey, head of the Moscow brunch, Oy Labko Ab,
3. Lehto Jarko, sales manager, Pipelife Finland Oy,
4. Pirogov Alexander, application manager, ZAO Kemira Eco, Saint-Petersburg,

5. Golubeva Natalia, project coordinator, NorTech Oulu, University of Oulu,
6. Iskhakova Aljona, assistant, NorTech Oulu, University of Oulu,
7. Hänninen Niko, project planer, NorTech Oulu, University of Oulu,
8. Hiljanen Risto, director, NorTech Oulu, University of Oulu,

Russian side:

1. Ayukaev Renat, general director, NPO "Chistaya voda",
Grafova Elena, engineer, NPO "Chistaya voda"
2. Berdino Alexander, director, School of Project Management,
3. Burova Larisa, main engineer, company "Galana",
Nikolaeva Olga, engineer, company "Galana",
4. Voskoboynikov Evgeny, general director, company "Vek",
5. Goldenberg Polina, inspector of environmental control, Rospirodnadzor RK,
6. Gorina Svetlana, application engineer, KOS, Petrozavodsk,
Reis Tatyana, application engineer, KOS, Petrozavodsk,
7. Grigoryev Alexander, main specialist, ZAO PI "Karelproekt",
Linkova Ludmila, project engineer, ZAO PI "Karelproekt",
8. Kuhta Lubov, project engineer, OOO "Inzhtehstroj",
9. Klimova Tatyana, main specialist, company OOO "Shtrih",
10. Kurbatova Nadezda, chairman on city housing, City administration of Petrozavodsk,
11. Mahov Vladimir, the head of brunch, OAO "PKS", p. Pryaza,
12. Nasonov Sergey, head of building department, OOO "Stroigrup",
13. Pchelov Mihail, director, "Waterwork", branch OAO "PKS",
14. Selivanov Andrey, the head of water supply and waste water department, Design Institute "Komunzilproekt",
Panas Elena, engineer, Design Institute "Komunzilproekt",
Balakireva Polina, engineer, Design Institute "Komunzilproekt",
15. Subotko Anatoly, the head of water supply and waste water department, OAO "PKS", Prionezsky rayon,
16. Filina Tatyana, specialist, City administration of Medvezegorsk,
Chubarenkova Marina, main specialist, City administration of Medvezegorsk,
17. Fomkina Evgeniya, application engineer, OAO "PKS" branch of Prionezsky",
18. Yalyaev Sergey, director, OOO "Waterwork" of Medvezegorsk city,

Business, Educational and Research Cooperation between Institutions of Northern Finland and North-West Russia (BERMAP)

PetrSU

19. Danilova Olga, associated professor, PetrSU, building faculty, water supply, hydrology and water drain department,
20. Lunina Lyudmila, associated professor, PetrSU, building faculty, water supply, hydrology and water drain department,
21. Evtifeev Jury, associated professor, PetrSU, building faculty, water supply, hydrology and water drain department,
22. Zaitseva Maria, PhD. Student teacher, building faculty, water supply, hydrology and water drain department,
