General Director Dmitriev Grigory S.

**DESCRIPTION:**

**Year of foundation:** 27.12.2000.

**Number of staff:** 3.

**Production volume/turnover:** N/A

**Projects:** 1 windmill near hotel "Ogni Murmanska".

**International co-operation experience:** Yes.

**ACTIVITIES:**

- Mastering of wind energy resources of Northwest Russia mainly in Kola Peninsula.
- Plans to build 2 or 3 small windmills in some villages in Kola area. In the future the aim is to build one big "wind park" in Kola Peninsula.

**COMMENTS:**

- The legislation concerning wind energy at the federal level is being developed and causes some problems.
- At the local level the problem is that KolEnergo energy supply company is not willing to use wind energy.
- The company has vision and good staff. Norwegian background in the company.
- Ready to develop their own knowledge in their business.
